

Joonyon Park (JP)= Eagle Boy

Derek So (DS)= Eagle, skeletons

Eric Cho (EC)= Badger, boy's Dad, Eagle People, skeletons, rabbit

Jamie Rhee (JR)= villager 1, boy's Mom, Eagle People, skeletons

Sabin Kim (SK)= villager 2, boy's brother, Eagle People, skeletons

(a boy walks around, and finds a hurt young eagle...)

JP= Woah, woah, woah, what's this eagle doing under its nest?

DS= I'm dying right now... (sigh)

JP= I'll take you home, baby eagle.

(eagle boy takes the eagle home)

{Eagle Boy starts to feed and take care of the eagle. Also hunts Eric, the rabbit.}

JP= Eagle, should I hunt a rabbit for you, again?

DS= Yea-h.

JR= Oh, who do I see right here?

JP= What do you want?

JR= My little son isn't farming on the field.

JP= I need to take care of my eagle!

DS= Yea-h, that's right!

JR= Well, GET GOING, FAST!

{Eagle Boy feeds him more, and the eagle gets bigger, grown up.}

EC= HEY!

JP= What, Big Dad?!

EC= Get workin' on the fields!

JP= Are you out of your mind ?

EC= You wanna fight, right now?

DS= Don't mess with my buddy!

JP= Big Dad, can't you see I'm working on my eagle?

DS= Yea-h, that's right! Can't you see he's working??

EC= Well, GET WORKING RIGHT NOW OR ELSE I KILL THE EAGLE!!!!!!

DS= I'm sorry Big Dad.

JP= Now get out of here, Big Dad!

EC= NO! I'm not going unless I see you working on the fields!

JP= Big Dad, I promise I'll work on it sometime...OK?

Then villagers, and the boy's parents gather up to kill the eagle....
(Whispering)

SK= Guys, guys, we need to kill the eagle!

EC= The eagle is destroying our boy!

JR= Honey, I agree.

EC= Well, you better! Our son isn't working on his farmland!

SK= Let's get started...first, the knives...

(The eagle was listening for the whole time...)

DS= (crying sad) Dang...

[Eagle and Eagle boy meets]

JP= What's wrong, eagle?

DS= I'm extremely sad right now, man.

JP= Dude, why?

DS= All because of you, man! You should've worked on the fields. Now all your relatives are going to kill me. I have stayed here for the whole time because you're my savior. But now I have to leave! Tomorrow morning, I will leave and never come back.

JP= My eagle, you must take me with you!

DS= My friend, I cannot take you with me, you are not an eagle like me.

JP= My eagle! I said I cannot live here without you! I beg you...

DS= FINE, then you must come to me at dawn, after the people go to their fields. Bring food in a sling to eat for the journey, and tie two strings of bells to my feet.

JP= Roger that.

DS= Oh yeah, and you'll need some cash.

[The boy packs food and two strings with bells, and brings the eagle in the morning.]

JP= Let's get out of here, I brought everything.

DS= Yes, my boy. Now tie the bells to my feet and then climb onto my back, and hold on to me. This is Eagle Airline, please hold on before the flight and tighten the seat belts. We are heading North, with the wind speed of 200 km/h. Passengers please be advised that we are in a bumpy ride, and there are probabilities of falling down.

[Eagle Boy rides the eagle high up to the mountains.]

JP & DS= Huli-i-i, hu-li-i-i~ Pa shish lakwa-a-a-a-a~

SK= Look! What's that? They are leaving!

EC & JR= BOY! YOU BETTER COME BACK! FAST! NOWWWWWWWWW~

[Eagle and the boy flies up high to the sky.]

JP=Woah, it's Sky Land! The Turquoise Mountain where the Eagle People live!

DS= Yeah, here is my home.

EC, JR, SK= Welcome! We are the Eagle People!

JP= No offense, you guys are weirder than I thought...

JR= Now you are one of us! We will give you a coat and become an Eagle Boy.

JP= Yay! A new life, finally!

[Eagle People teach Eagle Boy how to become one by actions.]

SK= You may fly anywhere, EXCEPT THE SOUTH. OK? NOT THE SOUTH LAND!

EC, JR= YEAH!

JP= Why not, man?

SK= I'm EAGLE SABIN!! YOU BETTER LISTEN TO MY WORDS!

DS= Yup, you better listen to Eagle Sabin's words.

[ONE DAY...]

JP= Well, well, well, I should just fly to the south. The curiosity is killing me!

EC=NO! EAGLE BOY~~~

JP= There's nothing to fear here! I shouldn't believed Eagle Sabin's words.

SK, JR (Villagers and people)= Welcome to the South Land! We will give you a place to sleep!

JP= Thanks, normal people!

[Next day...]

JP= (Yawning) Woah, where's all the people?! The fire?!

DS, EC, JR, SK= (Evil laugh) We will hunt you down...!

JP= WHAT?

(Skeletons chase Eagle Boy)

EAGLE BOY MEETS THE BADGER

JP= Woah, a badger? Why is a random badger coming out of this story?

EC= Dude, Eagle Boy, I will save you.

(Badger takes Eagle Boy under the ground.)

EC= You have been foolish, boy. You did not listen to the warnings the eagles gave you. Now that you have been to this land in the south, they will not allow you to live with them anymore.

JP=What??????

EC= Here, I'll show you the way back to the Eagle People.

JP= I appreciate it, badger. I'll pay you back in cash.

EC= So, how much we talkin' here?

JP= What? Oh, 10 dollars?

EC= No, a bit more? A bit like 20?

JP= 15 or nothin', badger. (Gives money)

[Eagle Boy flies away.]

JP= PLEASE! LET ME IN!!! PLEASE!!

JR= You have been to the South Land. You can no longer live with us. Never.

DS= People, I will take care of this betrayer.

JP= Sorry, my eagle. I couldn't resist my curiosity.

DS= I am disappointed. More than disappointed. I'm sad.

(Eagle gives the boy a dirty cloak.)

DS= Take this.

JP= What? This is just trash in the backyard!

DS= Be quiet. With this cloak you may reach the home of your own people. BUT you can never return to our place in the sky.

JP= I shouldn't have picked you up.

DS= WHAT DID YOU SAY?!

JP= Never-mind. Well, thanks anyways.

[Eagle boy flies back home to the village.]

JP= Ahhhh, back to the old days...

SK= Hey guys, look! Well, well, well. Who do we have here. I will not say anything from this point.

JP= Forgive all my sins, people. Forgive all my immoral acts.

JR= Hey, just get back to work! You have been messing with us from the day you got that useless eagle. Oh, yeah! Where is it?

SK= It's gone? Yeah~!

EC= Son, just get back to the fields. We have some potatoes not picked up yet. GET GOIN'!

JP= OK, OK!

(The boy is pushed by the people, forced out the stage.)

THE END
